

# FLAT League Practice Shooter Policy

- Practice shooting is allowed during the weekly FLAT league shoots.
- BUT... league shooters have priority over practice shooters.  
(Don't make league shooters wait to shoot while guys are practicing!)
- Practice shooters DO NOT pay league prize money.
- DO NOT post practice scores to the team rosters.  
(The scores don't count so don't post them!)
- Target fee is per host club policy.
